

Navy Sweatshirts and Outerwear Example - 32

This page will give you an idea of how the Menlo Athletics graphics may be applied to uniforms and to other garments and gear. Refer to these examples to see appropriate size and placement. Notice which color versions work best on different background colors. While these do not represent all of the possibilities, they do show how we can collectively help build and maintain the Menlo brand. **Whenever practical, use the graphics in their full-color (gold and blue) versions.**

Cap Logo Application Examples - 31

This page will give you an idea of how the Menlo Athletics graphics may be applied to uniforms and to other garments and gear. Refer to these examples to see appropriate size and placement.
