Menlo School Athletics

VB1 Boys Basketball

This course is designed to introduce the student knowledge in the areas of basketball. It includes skills, team dynamics, and strategies related to the sport. Students will learn to interact, make suggestions, work with others and address dynamic situations, which occur during competitive situations. Students will play in competitive situations using the acquired skills from practice. They will practice on days they do not have games and use proper sportsmanship and teamwork necessary to build a team.
