Parental Permission for Student to Drive to Athletic Contests

When it is necessary for a team to travel away for an athletic contest, Menlo School will provide transportation. Although it is strongly discouraged, it is recognized that, in some cases, it may be in the best interest of the student to be driven by himself/herself (or his/her parents) to and from the contest. Students must understand that they are never to provide transportation to another player under any circumstances.

I give my permission for my son/daughter to drive him/herself (but no one else) to and from the athletic contests on the following (please include specific dates or athletic seasons):

In consideration for my son’s/daughter’s participation on this sports team, I agree to release and hold harmless from any legal liability and agree not to sue Menlo School, its employees, volunteers, agents or representatives for any injuries, physical or psychological, death, or personal property damage resulting from my son/daughter driving to or from a competition.

I hereby agree to indemnify Menlo School, its employees, agents, representatives and volunteers from any and all liability, loss or damage, costs or judgments against Menlo School asserted as a result of or in connection with this transportation arrangement.

I have read this release and waiver of liability and indemnification agreement. I fully understand its terms, understand that I have given up substantial rights by signing it, and have signed it freely and voluntarily. I intend my signature to be complete and unconditional release of all liability to the greatest extent allowed by law.
